

Music Industry Eat & Greet Lunch Info TAXI Road Rally 2018 Concourse Ballroom (2nd floor)

What is the Music Industry Eat & Greet?

The Music Industry Eat & Greet is a sit down lunch where each table of 10 Road Rally attendees get to dine with an industry pro — actually, *several* of them because we rotate them around the tables. You should be able to meet 5 or 6 mentors with a range of different industry backgrounds during the course of your lunch. Not only do you get to meet Producers, Publishers, Music Library Owners, Music Marketing Experts, Recording Engineers, Songwriting Experts, Instrumental Composers, Music Supervisors, and A&R people, we also encourage them to accept CDs from you (although it's impossible for us to guarantee they will listen).

We offer a **\$300** bonus to the industry person who finds the best song, so they are inspired to listen to every song or track they get! They do not offer critiques, but there have been cases in which the members have been contacted by an industry pro following the luncheon. But there's another aspect of the Mentor Lunch that I always seem to forget to mention — meeting other songwriters, artists, and composers! So many of THOSE relationships have resulted in collaborations that, in turn, became deals and placements, that we'll never fully know the extent to which they have paid off.

Tickets are sold in advance and are SOLD OUT prior to the Road Rally. We will not be selling any lunch tickets during the Road Rally. Tickets must be purchased in advanced.

Below is a list of the Mentors who will be at the Eat & Greet tables on **Friday, November 2nd, (12:30pm to 2:30pm)** and **Saturday, November 3rd (12:15pm to 2:15pm)**. See **Bios on Master Bio List**.

Mentors' availability subject to change. Tickets are sold on a first come, first served basis!

Friday, Nov. 2nd (12:30pm – 2:30pm)
